To Whom it May Concern:

I worked with Omukoko Okoth as Assistant Director for the Business, Consulting, and Finance Career Community and the Ashby Business Scholars Program at Oberlin College and Conservatory.

I selected Omukoko to be a guest moderator for my business panel due to his consistent exemplary leadership skills and strong values. Omukoko moderated a virtual panel with a lead analyst with the Boston Consulting Group.

Omukoko was nominated one of fourteen 2023-2024 Ashby Business Scholars from a generous pool of candidates with a myriad of academic majors and concentrations. The Executive Director hired Omukoko to assist me in servicing the Business, Consulting, and Finance Community at Oberlin College. He has demonstrated a sincere level of integrity and commitment to his position. He works patiently and passionately with students and promptly produces needed research and projects.

Omukoko Okoth is a leader I am proud to have had the opportunity to work with and know.

Best regards,
